

Membership Proposal

The Brazilian Turkish Chamber of Commerce, Tourism and Culture is a private nonprofit organization that is focused on developing commercial, economic, political and social relations between Brazil and Turkey, approaching companies and contributing to foster international business.

Our main objectives are the development of Turkish-Brazilian business opportunities, the increase in tourist flows between them and the promotion of Turkish culture in Brazilian society.

Membership

The members of the Brazilian-Turkish Chamber can have a close relationship with a wide network and exclusive services guaranteed by partnerships in several sectors. Through a customized service, the Chamber undertakes a commitment to meet strategic demands and to provide the necessary support for the activities of its members.
