To whom it may concern

Dear Exhibitor,

On March 11 the Cabinet of Minister of Ukraine officially announces the quarantine as a preventive measure against spread of Coronavirus. It is imposed as of 12 March until 03 April on all territory of the country.

Premier Expo have been organising exhibitions and conferences in Ukraine for the last 20 years and we have never postponed or canceled any of our events ever! However with the best interest of our clients and staff in mind we always act in the most open and honest manner.

With this in mind please be informed that UITT, the International Travel and Tourism Fair is postponed and will now take place from 1-3 September 2020.

All tickets bought for the above events for the postponed dates will be valid from the new dates, same as the all online visitor registrations. Are now taking extra measures to promote the new dates for this event.

We are now in the process of setting up detailed instructions for all our sponsors, exhibitors, visitors and other stakeholders and will publish those in the next few days on event website <http://www.uitt-kiiev.com/en-GB/>.

All the above-mentioned events will still be held at the IEC, the International Exhibition Center, our traditional venue. We would like to put on record our big thankyou to the Management of IEC for their understanding and support and swift reaction to the situation which allowed us to select and announce new dates for our event.

We are looking forward for your understanding and our further cooperation in the future.

With kind regards

Event Director
