Dear Mr. Bağlıkaya,

I present my compliments and take the opportunity to inform you that the Ecuadorian National Emergency Operations Committee resolved on September 29, 2021, has approved the following requirements to enter the Galapagos Islands:

- All foreign and Ecuadorian tourists, as well as residents of the Galapagos Islands, two years or older, must present a negative RT-PCR Covid-19 result from a test taken up to 72 hours before boarding the flight to the islands.

I kindly request this information to be forwarded to all the members of your association.

Sincerely,

Lourdes Puma Puma
Ambassador of Ecuador in Turkey
