Pure! Travel group

Bram is the founder of Pure! Travel Group and the General Manager of Pure! Ecuador. After obtaining his degree in tourism, Bram decided to leave the Netherlands and gain work experience in Ecuador. Impressed by the potential of this biodiverse country, he never left. He realized Ecuador and the rest of South America offer a countless number of highlights to its visitors and it became his passion to share the beauty of this diverse continent with travelers. By expanding Pure! Travel Group to five South American countries, this dream is now becoming reality. But not at the expense of the next generations; Bram generated respect for local heritage, indigenous communities, and the environments part of the DNA of Pure! Travel Group. On top of this providing exceptional B2B services and being a reliable partner offering innovative opportunities for both leisure and MICE tourism, is what motivates him.
